This application seeks approval for the erection of single storey modular building and band store with associated external alterations following demolition of two existing single storey modular buildings at Mirfield Air Cadet Centre, Huddersfield Road, Mirfield, WF14 9DQ.

No off-street parking is proposed except for the minibus. However, as the proposal does not affect the existing site access, nor is it intended to increase the existing intensity of use of the site it would be difficult to raise an objection on highway safety grounds.

Given this, the scheme is acceptable from a highway's perspective.

No specific conditions are deemed necessary.
