<p>A cul-de-sac has been turned into a scrap yard which is very unsafe for my children aswell as the children attending HollyTree Nursery. There are always scrapped cars with smashed windowns and open wires hanging out which are very dangerous for the locals, i strongly condemn the kirklees council to come out and visit this area to witness for themselves. I have also noticed that the garage already have taken up unnecessary land which does not belong to them as yet.</p>
