<p>What once used to be a lovely open space for children to play has turned into a scrap yard which has become very dangerous for everyone more so for the children as there is a nursery nearby. Very unsafe for all us residents that live here as there is always hazards left around and dumped anywhere. Cars are dumped anywhere blocking other cars, windscreens are smashed with pieces of glass shattered everywhere. I plead to the council to come down and have a look for themselves as this is not safe for the community and the wellbeing of the residents.</p>
