<p>The street has been turned in to a scrap yard where All cars scattered everywhere waiting to be repaired or to used as scrap cars for parts which is very dangerous as theres parts of vehicle are hanging out. And The residence have no space for their vehicle to be parked. Also when the the bin men come to collect the waste that have been put in bins also struggle to bring their Truck as theres vehicles scattered everywhere Also the kids have no space to play around as the whole street is blocked of with vehicles. I would like kirklees council to come and have a look.</p>
