I am worried about the operations that take place on George Street. The amount of illegal parking and the overcrowding that has happened since there has been someone operating as some sort of junk yard is disturbing. There is a pre school & private nursery on the end of the street. In recent years there has been a concerning number of cars parked that look abandoned. I think if this is an expansion of their operation this needs to be stopped as how it is operating at the moment is dangerous.
