| <p>Since the garage has been operating, parking on the road is extremely restricted and at times it is impossible to get down the road due to the masses of cars parked on either side of the road, which belong to the garage.</p> <p style="text-align: right;">Picking up young children is now a concern as it is hard to get to the nursery and I have to park a lot further away.</p> <p style="text-align: right;">I fear that this road, which was once considered to be safe and quiet, has now become loud, obstructed and dangerous.</p> | |
