<p>Every morning I bring my child to nursery in George street ravenstorpe. Regarding the issue with parking and the garage Tee motors. I have never had an issue with parking and driving there as there is lots of space at the bottom half of the street for parking. All of the cars Tee motors owns or foxes are parked on his private lane which he can park 8 to 10 cars. All of the cars on the street belong to Ultimate drive car sales on George street. Whenever I go always try's to persuade me to sign a petition against Tee motors. If you have an issue with parking and cars go to Ultimate drive nkt Tee motors as you can clearly see his cars on private land. Thank you.</p>
