<p>Tee motors is a small business which has not caused any problems for the residents.</p> <p>Also just to clarify, the cars outside which are parked on both sides of the road do not belong to Tee Motors therefore, they should not be held accountable for this. They have their own parking space which is where customers park their cars when they come to the garage .</p> <p>Also the heap of rubbish left on the street does not belong to the garage and has been left by residents,therefore, it would be appreciated if they weren't blamed for this.</p> <p>I have been a service user at Tee Motors since , it has opened and they are a very brilliant business. Whenever I have attended the garage their hasn't been any shouting/noise they have always kept the residents safety as priority.</p> <p>The business it a big asset to ravensthorpe and I believe we need to support this business to expand rather than trying to shut it down</p>
