<p>I am concerned about this planning permission and would not like this to go ahead as this will cause a problem for William street there is not enough room to park cars already this will cause even more of a problem for us parking. William street is a quiet street, our kids play peacefully as it is not busy we will have a problem if they open a way from here as our kids won't be able to play. There is also a lot of noise always coming from garage early morning till late night 10-11pm this was a storage unit not a car garage. We will not accept this application as it is in front of our house blocking our view !!!!</p>
