The George Hotel, St George's Square, Huddersfield, HD1 1JA

We have reviewed the proposal for the redevelopment of the George Hotel, Huddersfield. The development is proposed to reopen and re-establish the Hotel as an asset in the centre of the town. The proposed works will involve significant change to the hotel to enable it to function in the modern market. The Heritage Statement that has been submitted with the application this outlines the history of the hotel, the surviving elements of the original and early hotel, and the proposed works.

We do not recommend that any additional archaeological works are required, based on the current plans .

Yours

Glyn
