Subject: RE: Attached letter from Kirklees Council regarding application number 2024/90042 at location boundary wall opposite Reddisher Farm, Reddisher Road, Marsden, Huddersfield, HD7 6NF

Hi Lucy

I am not sure whether Claire has already provided any advice in relation to this application to Network Rail, so I have copied her to my response for information.

Please arrange for the inclusion of the following condition:

- 1) Before the development commences, the proposed modification to the highway burr wall supporting Reddisher Road shall be submitted (via submission of an AIP) and approved by the Highway Authority in writing. The approved scheme shall be implemented prior to the commencement of the proposed development and thereafter retained during the life of the development.
