

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England) Order
2015**

PLANNING PERMISSION FOR DEVELOPMENT

Application Number: 2024/62/90054/W

To: Edward Gribbin,
Orange Design Studio
59A, Huddersfield Road
Mirfield
WF14 8AA

For: MR & MRS ROTHERY

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby permits:-

ERECTION OF DWELLING AND ASSOCIATED ALTERATIONS

At: ADJ, 2, BANK END LANE, ALMONDBURY, HUDDERSFIELD, HD5 8ES

In accordance with the plan(s) and applications submitted to the Council on 09-Jan-2024, subject to the condition(s) specified hereunder:-

1. The development hereby permitted shall be begun within three years of the date of this permission.
Reason: Pursuant to the requirements of Section 91 of the Town and Country Planning Act 1990.
2. The development hereby permitted shall be carried out in complete accordance with the plans and specification schedule listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.
Reason: For the avoidance of doubt as to what is being permitted and so as to ensure the satisfactory appearance of the development on completion, and to accord with Policies LP1, LP2, LP3, LP7, LP11, LP20, LP21, LP22, LP24, LP26, LP30, LP51, LP52 and LP53 of the Kirklees Local Plan, Principles 2, 5, 6, 9, 12, 13, 14, 15, 16, 17, 18 and 19 of the Housebuilders Design Guide SPD and Chapters 2, 4, 5, 8, 9, 11, 12, 14, and 15 of the National Planning Policy Framework.

3. If contamination, or the presence of coal not previously identified by the developer prior to the grant of this planning permission is encountered during the development, all works in the affected area (except for site investigation works) shall cease immediately and the Local Planning Authority shall be notified in writing within 2 working days. Works in the affected area shall not recommence until either (a) a Remediation Strategy by a suitably competent person has been submitted to and approved in writing by the Local Planning Authority or (b) the Local Planning Authority has confirmed in writing that remediation measures are not required. The Remediation Strategy shall include a timetable for the implementation and completion of the approved remediation measures. Thereafter remediation of the site shall be carried out and completed in accordance with the approved Remediation Strategy.

Following completion of any measures identified in the approved Remediation Strategy a Verification Report shall be submitted to the Local Planning Authority. No part of the site shall be brought into use until such time as that part of the site has been remediated in accordance with the approved Remediation Strategy and a Verification Report in respect of those works has been approved in writing by the Local Planning Authority.

Reason: To ensure the safe occupation of the site in accordance with Policy LP53 of the Kirklees Local Plan and paragraph nos. 189 and 190 of the National Planning Policy Framework.

4. No development above foundation levels shall take place until samples of the proposed external walling stone and roofing materials have been submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be undertaken in accordance with the details so approved.

Reason: To ensure the satisfactory appearance of the development on completion in the interests of visual amenity, to accord with Policies LP24 of the Kirklees Local Plan, Principles 2 and 13 of the Housebuilders Design Guide SPD, as well as Chapter 12 of the National Planning Policy Framework.

5. Notwithstanding the approved plans and information, 1 new bat tube similar to the Schwegler type 1FR bat boxes or 1 new sparrow terrace bird box shall be installed integral to the new dwelling during the period of construction on the southern elevation (front), at least 3m above ground level and not directly above any doors or windows. Thereafter the bat tube or sparrow terrace bird box shall be retained.

Reason: To enhance opportunities for biodiversity at the site and to accord with national guidance set out in Chapter 15 of the National Planning Policy Framework, LP30 of the Kirklees Local Plan and Principle 9 of the Housebuilders Design Guide SPD.

6. Notwithstanding the provision of the Town and Country Planning (General Permitted Development)(England) Order 2015 as amended (or any Order revoking or re-enacting that Order) no development included within Classes A, AA, B, D or E of Part 1 of Schedule 2 to that Order shall be carried out within the site outlined in red on hereby approved Proposed Block Plan drawing no. (20)002 Rev A, received 4th April 2024 without the prior written consent of the Local Planning Authority.

Reason: To avoid any future detrimental impacts arising on both residential and visual amenity. This would be in accordance with Policies LP1, LP2, LP11 and LP24 of the Kirklees Local Plan, Chapter 12 of the National Planning Policy Framework and Principles 2, 6 and 15 of the Housebuilders Design Guide SPD.

7. Prior to the development being brought into use, areas to be used by vehicles/pedestrians shall be surfaced and drained in accordance with the Communities and Local Government; and Environment Agency's 'Guidance on permeable surfacing of front gardens (parking areas)' published 13th May 2009 (ISBN 9781409804864) as amended or superseded; and thereafter retained throughout the lifetime of the development.

Reason: In the interests of highway safety and to achieve a satisfactory layout, to mitigate flood risk and in accordance with LP21 and LP22 of the Kirklees Local Plan, Principle 12 of the Council's adopted Housebuilders Design Guide Supplementary Planning Document and Chapter 14 of the National Planning Policy Framework.
8. Within the first planting season following the development hereby approved being brought into use until the landscaping scheme detailed upon submitted drawing (20)002RevA has been completed. Following completion of the landscaping scheme all areas of soft landscaping shall be retained as soft landscaping for the lifetime of the development. If, within a period of at least five years from planting, any tree, shrub or hedge shall die, become diseased or be removed, it shall be replaced with others of similar size and species.

Reason: To ensure that there is a well laid out scheme of healthy trees and shrubs in the interests of amenity to accord with policies LP24 and LP30 of the Kirklees Local Plan and the policies contained within Chapters 12 and 15 of the National Planning Policy Framework.
9. The parking spaces annotated 'Proposed Dwelling Parking' upon submitted drawing no.(20)002RevA shall be provided and thereafter retained for use as vehicular parking spaces in relation to the dwelling hereby approved and used for no other purpose.

Reason: To ensure suitable levels of parking are provided for occupiers of the dwelling hereby approved to accord with policies LP21 and LP22 of the Kirklees Local Plan, the Council's Highways Design Guide, principle 12 of the Housebuilders Design Guide SPD and policies within Chapter 9 of the National Planning Policy Framework.
10. The parking spaces annotated '2 Bank End Lane Parking' upon submitted drawing no.(20)002RevA shall be provided and thereafter retained for use as vehicular parking spaces in relation to the dwelling outlined in blue upon submitted drawing no.(20)002RevA and known as 2 Bank End Lane, Almondsbury, Huddersfield HD5 8ES and used for no other purpose.

Reason: To ensure suitable levels of parking are provided for occupiers of the dwelling hereby approved to accord with policies LP21 and LP22 of the Kirklees Local Plan, the Council's Highways Design Guide, principle 12 of the Housebuilders Design Guide SPD and policies within Chapter 9 of the National Planning Policy Framework.
11. Development shall not commence until a scheme detailing the finished slab and floor levels of the dwelling hereby approved together with corresponding existing and finished ground levels related to Ordnance Datum or an identifiable temporary datum has been submitted to and approved in writing by the Local Planning Authority. The construction of the dwelling shall thereafter be carried out in accordance with the details so approved before the dwelling is first occupied and retained.

Reason: In the interests of visual amenity and the amenity of neighbouring occupiers to accord with Policy LP24 of the Kirklees Local Plan, principle 6 of the Council's adopted Housebuilders Design Guide SPD and policies within Chapter 12 of the National Planning Policy Framework. This is a pre-commencement condition to ensure the ensuing development is undertaken in the interests of residential amenity of adjacent land and buildings and visual amenity.

12. Notwithstanding the plans submitted, the development shall not be brought into use until a scheme detailing the boundary treatment of the site has been submitted to and approved in writing by the Local Planning Authority. The development shall not be brought into use until the works comprising the approved scheme have been completed. The scheme shall thereafter be retained and maintained for the lifetime of the development.

Reason: In the interests of residential amenity of neighbouring occupiers, visual amenity and to accord with Policy LP24 of the Kirklees Local Plan, principles 5 and 6 of the Council's adopted Housebuilders Design Guide SPD and Policies within Chapter 12 of the National Planning Policy Framework.

NOTE: All contamination reports shall be prepared by a suitably competent person, as defined in Annex 2 of the National Planning Policy Framework 2021. Reports must be prepared in accordance with the following guidance:

- *Land Contamination Risk Management (LCRM)*
- *BS 10175:2011+ A2:2017 Investigation of Potentially Contaminated Sites. Code of Practice*
- *Development on Land Affected by Contamination - Technical Guidance for Developers, Landowners & Consultants - (v11.2) June 2020* by the Yorkshire and Lincolnshire Pollution Advisory Group.

The conditions relate to Planning Control only. Approval under the Building Regulations may also be required, and the applicant should contact their Building Control Provider for further information. Any other necessary consent must be obtained from the appropriate authority. If the applicant commences work without discharging conditions, they will be at risk of enforcement action and invalidating the permission if the planning condition is a pre commencement condition.

NOTE: No construction related noise should be audible beyond the site boundary outside the hours of:

- 07.30 to 18.30 hours Mondays to Fridays
- 08.00 to 13.00 hours Saturdays

With no construction related noise audible beyond the site boundary on Sundays or Bank/Public Holidays.

Kirklees Council has powers under Section 60 of the Control of Pollution Act 1974 to control noise from construction sites and may serve a notice imposing requirements on the way in which construction works are to be carried out. It has additional powers under Sections 80 of the Environmental Protection Act 1990 to prevent statutory nuisance including noise, dust, smoke and artificial light and must serve an abatement notice when it is satisfied that a statutory nuisance exists or is likely to occur or recur. Failure to comply with a notice served using the above-mentioned legislation would be an offence for which the maximum fine on summary conviction is unlimited.

NOTE: If any changes to the access within the adopted highway fronting the property are required because of the proposals, this will need to be constructed under a section 184 agreement of the 1980 Highways Act (vehicle crossings over footways and verges). You are required to consult the Design Engineer (Kirklees Street Scene: 01484 221000) with regard to obtaining this permission and approval of the construction specification. Interference with the highway without such permission is an offence which could lead to prosecution.

Plans and specifications schedule:-

Plan Type	Reference	Web ID	Date Received
Location Plan	(EX)002	-	10th January 2024
Proposed GA	(20)001	A	4th April 2024
Block Plan	(20)002	A	4th April 2024
Climate Change Statement – Supporting Information	-	-	10th January 2024

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a preapplication advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. Amendments were sought to alter the scheme from 2 double bedrooms to a double and single bedroom to ensure that the NDSS technical space standards could be met.

Digital Infrastructure: Fibre To The Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speedier installation at a later date.

To discuss the benefits that FTTP may have for your development, please contact Carl Tinson in Kirklees Council's Digital Team at carl.tinson@kirklees.gov.uk

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost effective provision of fibre infrastructure in the future.

Building Regulations Approval is required for most work involving building operations and/or structural alterations. It is the applicant's responsibility to find out if the work permitted by this planning permission needs approval under the Building Regulations, and if necessary to submit an application. If you are not the applicant can you please ensure the applicant is aware of this requirement. Contact Building Control on Tel No: (01484) 221550 for more information.

It is the applicant's responsibility to find out whether any works approved by this planning permission, which involve excavating or working near public highway and any highway structures including retaining walls, will require written approval from the Council's Highways Structures Section. Please contact the Highways Structures Section on Tel No. 01484-221000 Ext 74199 for further advice on this matter.

Details Reserved by Condition

- **This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording "submitted to and approved in writing by the Local Planning Authority".**
- **You can apply online for approval of these details at the Planning Portals website at www.planningportal.gov.uk. Alternatively the forms and supporting guidance for submitting an application can be found online at www.kirklees.gov.uk/planning.**
- **This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.**
- **You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.**
- **It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.**
- **If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre commencement condition.**

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

The application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within:
 - i) 28 days of the date of service of the enforcement notice, or
 - ii) within the specified period, starting on the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/appeal-planning-decision>. Further information on the Planning Appeal process can be found online at the Planning Inspectorates website <https://www.gov.uk/government/organisations/planning-inspectorate>.
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.

Dated: 30-Apr-2024
