

**Consultation Response from KC,
Highways Development Management**

2024/90078 58, Southfield Road, Waterloo, Huddersfield, HD5 8RJ

Erection of 1800mm high close boarded boundary fence

Date Responded: 12/03/2024.

Responding Officer: D. Stainsby

Responding Ref: K11-6NE/5

RECOMMENDATION.

The proposal is considered acceptable to Highways Development Management.

The fence is set back so that the recommended visibility splays of 2.4m x 43m at the adjacent junction of Fleminghouse Lane with Southfield Road have been maintained.

As a result, the proposed fence does not affect the existing sight lines.

The proposal is, therefore, considered acceptable to Highways Development Management
