<p>The detached dwelling would result in our view being compromised and we would in effect be looking at a brick wall.</p> <p>The building of this property would have an adverse effect on the wildlife that visit our garden, we have fed the birds and other wildlife for over 20 years.</p> <p>The planning dept would have passed for a house to be built on this plot when the surrounding houses were built.</p> <p>This planning application has been turned down on 2 occasions in 2010</p> <p>We feel very strongly about this planning application and it is totally unacceptable to imagine that any of the surrounding residents would agree to it being passed.</p> <p>The daylight in our garden would also be compromised taking away the sun due to the size of the building.</p>
