Advertisement Consent for one internally illuminated fascia sign and one internally illuminated projecting sign
Date Responded: 12/03/2024. Responding Officer: D. Stainsby Responding Ref: K5-2SW/3

This application seeks advertisement Consent for one internally illuminated fascia sign and one internally illuminated projecting sign at 16, Acre Street, Lindley, Huddersfield, HD3 3DU

The locations of the signs are not in close proximity to a busy or signalised junction, and do not affect visibility from existing accesses, the proposals are, therefore, acceptable from a highway's perspective.

Please add the following condition to the decision notice:

ILLUMINATED SIGNS / ADVERTS

Illuminated signs shall be designed such that the maximum luminance does not exceed the values defined within the ILE Technical Report No 5 "Brightness of Illuminated Advertisements" and the values quoted in the application.

The permitted signs shall be statically illuminated only and no changes in their mode of illumination shall be permitted without the prior written consent of the LPA.

Flood lighting or general external illumination shall be appropriately baffled or suitably screened to prevent unwanted "upward light" or "light spill" onto the highway or adjacent properties or land.

The consent granted shall relate solely to the lighting system that is the subject of the application. Variation of or additions to the means/mode of lighting shall not be permitted without the prior written approval of the LPA.
