

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England) Order
2015**

PLANNING PERMISSION FOR DEVELOPMENT

Application Number: 2024/62/90225/E

To: Haris Kasuji
RR Planning Ltd
82A, Otley Road
Headingley
Leeds
LS6 4BA

For: F IBRAHIM

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby permits:-

PARTIAL DEMOLITION AND REBUILD OF EXISTING DWELLING

At: 179, LEES HALL ROAD, THORNHILL LEES, DEWSBURY, WF12 0RW

In accordance with the plan(s) and applications submitted to the Council on 06-Feb-2024, subject to the condition(s) specified hereunder:-

1. The development hereby permitted shall be begun within three years of the date of this permission.

Reason: Pursuant to the requirements of Section 91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall be carried out in complete accordance with the plans and specifications schedule listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.

Reason: For the avoidance of doubt as to what is being permitted and so as to ensure the satisfactory appearance of the development on completion, LP1, LP2, LP3, LP7, LP11, LP20, LP21, LP22, LP24, LP28, LP30, LP33, LP47, LP51, LP52 and LP53 of the Kirklees Local Plan, Chapters 2, 5, 8, 9, 11, 12, 14 and 15 of the National Planning Policy Framework and the provisions of the Housebuilders Design Guide SPD (2021) and Highway Design Guide SPD (2019).

3. Notwithstanding the submitted details, development above slab/foundation level shall not commence until details of all external materials including walls, roofs, doors, windows, surfacing, rainwater goods and colour finishes to be used have been submitted to and approved in writing by the Local Planning Authority. The development shall not be brought into use until the approved scheme has been completed. No materials other than those approved in accordance with this condition shall be used which shall thereafter be retained and maintained for the lifetime of the development.

Reason: In the interests of visual amenity to accord with Policy LP24 of the Kirklees Local Plan, the Housebuilder's Design Guide SPD and guidance contained within the National Planning Policy Framework.

4. A sparrow terrace nest box shall be installed to the exterior of the new dwelling before the dwelling hereby approved is first brought into use and thereafter retained for the lifetime of the development

Reason: In the interests of the biodiversity of the site and in accordance with the Wildlife & Countryside Act 1981 (as amended), Conservation of Habitats and Species Regulations 2010 and the National Planning Policy Framework.

5. A bat box shall be installed to the exterior of the new dwelling before the dwelling hereby approved is first brought into use and thereafter retained for the lifetime of the development

Reason: In the interests of the biodiversity of the site and in accordance with the Wildlife & Countryside Act 1981 (as amended), Conservation of Habitats and Species Regulations 2010 and the National Planning Policy Framework.

6. Notwithstanding the approved details, prior to development commencing on the superstructure of the dwelling hereby approved, details of the arrangements for the parking of a minimum of three vehicles will be submitted to and approved in writing by the Local Planning Authority. The development shall not be occupied until the approved scheme has been implemented. The approved scheme shall thereafter be retained / maintained for the lifetime of the development.

Reason: To ensure a suitable access and layout in the interests of highway safety to accord with policy LP22, LP24 of the Kirklees Local Plan and chapter 12 of the National Planning Policy Framework.

7. Prior to development commencing on the superstructure of the dwelling hereby approved, details of suitable storage, bin presentation points and access for collection of wastes from the dwellings hereby approved shall be submitted to and approved in writing by the Local Planning Authority. The approved details shall be provided before first occupation and shall be so retained thereafter.

Reason: In this interests of visual amenity, to ensure a satisfactory site layout and to accord with Local Plan Policy LP24 part d(vi)

8. Prior to the development being brought into use, the approved vehicle parking areas shall be surfaced and drained in accordance with the Communities and Local Government; and Environment Agency's 'Guidance on the permeable surfacing of front gardens (parking areas)' published 13th May 2009 (ISBN 9781409804864) as amended or superseded; and thereafter retained throughout the lifetime of the development.

Reason: In the interests of highway safety, to achieve a satisfactory layout and to accord with Policy LP22 of the Kirklees Local Plan.

9. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 as amended (or any Order revoking or re-enacting that Order) no development included within Classes A - E of Part 1 of Schedule 2 to that Order shall be carried out within the red line boundary of the site.

Reason: To ensure that unsatisfactory extensions and outbuildings do not have an unacceptable impact on the amenities of surrounding properties, in accordance with the requirements of Policy LP24 of the Kirklees Local Plan and the provisions of the Housebuilders Design Guide SPD (2021).

10. Where further intrusive investigation is recommended in the Preliminary Risk Assessment, development shall not commence until a Phase II Intrusive Site Investigation Report has been submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that the site can be made, safe and stable for the proposed development and remove unacceptable risks to human health, in accordance the aims of Policy LP 53 of the Kirklees Local Plan and Chapter 15 of the National Planning Policy Framework. This is a pre-commencement condition that will allow for intrusive site investigations to be undertaken and assessed, to establish the exact situation regarding contamination issues at the site in a timely manner.

11. Where site remediation is recommended in the Phase II Intrusive Site Investigation Report approved pursuant to condition 10, development shall not commence until a Remediation Strategy has been submitted to and approved in writing by the Local Planning Authority. The Remediation Strategy shall include a timetable for the implementation and completion of the approved remediation measures.

Reason: To ensure that the site can be made, safe and stable for the proposed development and remove unacceptable risks to human health, in accordance the aims of Policy LP 53 of the Kirklees Local Plan and Chapter 15 of the National Planning Policy Framework. This is a pre-commencement condition that will allow for intrusive site investigations to be undertaken and assessed, to establish the exact situation regarding contamination issues at the site in a timely manner.

12. Remediation of the site shall be carried out and completed in accordance with the Remediation Strategy approved pursuant to condition 11. In the event that remediation is unable to proceed in accordance with the approved Remediation Strategy or contamination not previously considered in either the Preliminary Risk Assessment or the Phase II Intrusive Site Investigation Report is identified or encountered on site, all works on site (save for site investigation works) shall cease immediately and the Local Planning Authority shall be notified in writing within 2 working days. Works shall not recommence until proposed revisions to the Remediation Strategy have been submitted to and approved in writing by the Local Planning Authority. Remediation of the site shall thereafter be carried out in accordance with the approved revised Remediation Strategy.

Reason: To ensure that the site can be made, safe and stable for the proposed development and remove unacceptable risks to human health, in accordance the aims of Policy LP 53 of the Kirklees Local Plan and Chapter 15 of the National Planning Policy Framework.

13. Following completion of any measures identified in the approved Remediation Strategy or any approved revised Remediation Strategy a Validation Report shall be submitted to the Local Planning Authority. Unless otherwise agreed in writing with the Local Planning Authority, no part of the site shall be brought into use until such time as the remediation measures for the whole site have been completed in accordance with the approved Remediation Strategy or the approved revised Remediation Strategy and a Validation Report in respect of those remediation measures has been approved in writing by the Local Planning Authority.

Reason: To ensure that the site can be made, safe and stable for the proposed development and remove unacceptable risks to human health, in accordance the aims of policy LP 53 of the Kirklees Local Plan and Chapter 15 of the National Planning Policy Framework.

14. Prior to commencement of development on site, a preliminary bat roost Assessment for the entire application site, shall be carried out by a licensed bat surveyor between May-September. No development shall commence (including any demolition) until the assessment has been submitted to and approved in writing by the Local Planning Authority and any further requirements to obtain a bat mitigation licence (European Protected Species Mitigation Licence) from Natural England secured. If a licence from Natural England is required, no development, including demolition, shall commence until details of the licence have been submitted to and approved in writing by the Local Planning Authority. The development, including demolition, shall thereafter be carried out and retained in accordance with the recommendations set out within the assessment and any licence from Natural England.

Reason: Bats and their roosts are protected under national and international law. There is a reasonable likelihood that bats could be roosting in the existing buildings on site. The developer must take appropriate measures to avoid, mitigate and, as a last resort, compensate for any negative effects on bats in their development prior to the commencement of development in accordance with Circular 06/2005, under the Conservation of Habitats and Species Regulations 2017 and Wildlife and Countryside Act 1981. This is also in accordance with the requirements of Policy LP30 of the Kirklees Local Plan and Chapter 15 of the National Planning Policy Framework.

This is a pre-commencement condition that will allow for investigations to be undertaken and assessed, to establish the exact situation regarding bats at the site.

15. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), or any subsequent legislation revoking or superseding that Order, no windows, doors or other openings, other than those shown on the approved plans, shall, at any time, be formed within any elevation of the approved dwelling.

Reason: To safeguard the privacy of the adjoining properties, in accordance with the requirements of Policy LP24 of the Kirklees Local Plan. and the provisions of the Housebuilders Design Guide SPD (2021).

NOTE: Due to its location, a bat roost may be present on site. Bats are a European protected species under regulation 41 of the Conservation of Habitats and Species Regulations 2010. It is an offence for anyone intentionally to kill, injure or handle a bat, disturb a roosting bat, or sell or offer a bat for sale without a licence. It is also an offence to damage, destroy or obstruct access to any place used by bats for shelter, whether they are present or not. If bats are discovered on site development shall cease and the applicant is advised to contact Natural England for advice.

NOTE: All contamination reports shall be prepared in accordance with Model Procedures for the Management of Land Contamination – Contaminated Land report 11 (CLR11), National Planning Policy Framework (NPPF) and the Council’s Advice for Development documents or any subsequent revisions of those documents.

NOTE: Kirklees Council has powers under Section 60 of the Control of Pollution Act 1974 to control noise from construction sites and may serve a notice imposing requirements on the way in which construction works are to be carried out. It has additional powers under Sections 80 of the Environmental Protection Act 1990 to prevent statutory nuisance including noise, dust, smoke and artificial light and must serve an abatement notice when it is satisfied that a statutory nuisance exists or is likely to occur or recur. Failure to comply with a notice served using the above-mentioned legislation would be an offence for which the maximum fine on summary conviction is unlimited.

NOTE: Public footpath DEW/21/20 is adjacent to the development site and must not be interfered with or obstructed, prior to, during or after development works. The Council’s Public Rights of Way unit may be contacted by telephone on 01484 221000. Public rights of way is based at Flint Street, Fartown, Huddersfield HD1 6LG and the email address is publicrightsofway@kirklees.gov.uk

Plans and specifications schedule: -

Plan Type	Reference	Version	Date Received
Location Plan			06.02.2024
Existing and proposed elevations	22243 D03 REV:B		06.02.2024
Proposed Block Plan			06.02.2024
Climate change statement			06.02.2024
Design and access statement			06.02.2024
Preliminary investigation	C543		17.05.2024

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. No alterations were required.

Building Regulations Approval is required for most work involving building operations and/or structural alterations. It is the applicant's responsibility to find out if the work permitted by this planning permission needs approval under the Building Regulations, and if necessary to submit an application. If you are not the applicant can you please ensure the applicant is aware of this requirement. Contact Building Control on Tel No: (01484) 221550 for more information.

It is the applicant's responsibility to find out whether any works approved by this planning permission, which involve excavating or working near public highway and any highway structures including retaining walls, will require written approval from the Council's Highways Structures Section. Please contact the Highways Structures Section on Tel No. 01484-221000 Ext 74199 for further advice on this matter.

Details Reserved by Condition

- **This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording "submitted to and approved in writing by the Local Planning Authority".**
- **You can apply online for approval of these details at the Planning Portals website at www.planningportal.gov.uk. Alternatively the forms and supporting guidance for submitting an application can be found online at www.kirklees.gov.uk/planning.**
- **This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.**
- **You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.**
- **It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.**
- **If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre commencement condition.**

Development within a Coal Mining Area

DEVELOPMENT LOW RISK AREA – STANDING ADVICE

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:

www.gov.uk/government/organisations/the-coal-authority

Digital Infrastructure: Fibre To The Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speedier installation at a later date.

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost effective provision of fibre infrastructure in the future.

The application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within:
 - i) 28 days of the date of service of the enforcement notice, or
 - ii) within the specified period, starting on the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/appeal-planning-decision>. Further information on the Planning Appeal process can be found online at the Planning Inspectorates website <https://www.gov.uk/government/organisations/planning-inspectorate>.
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.

Dated: 15-Jul-2024
