<p>After living in denby dale for quiet a considerable amount of years and looking at different applications over that time,i find it hard too understand some of the narrow minded comments opposing this very sight on Cuckstool Road.I do not think people understand what a great opportunity it would be to have a wildflower meadow in the village for children to play in instead on walking around and causing bother round the neighbourhood,i don't know of any other wild flower meadows round this area! Therefore i think it is a great idea.</p>
