<p>This is a very appealing development in an area which needs more housing of this type and size and price bracket. I grew up in the area and would like to return but there isn't enough housing available.</p> <p>This seems to meet the needs of the community and current housing deficit.</p> <p>The access looks adequate and the traffic calming on Burn Road is already addressed.</p> <p>Good to see some affordable too.</p> <p>Nothing to object to.</p>
