<p>I have followed the plans around this area and I am very pleased with this one. It's time we had more houses in the nice areas such as this one. Wildlife wasn't affected after the Haron Homes building as I still see Deer, Rabbits and Squirrels daily, even though comments from that development said such would happen.</p> <p>The area is much more popular now and this development will bring in more neighbours. I look forward to following this development.</p>
