<p>I live on Burn Road. I will be honest I was against the Harron Homes development. But since this my views have changed. I have made some lovely new neighbours. And the houses look nice. And it's allowed a new space open up for nice walks etc.</p> <p>To see comments against the development by the same people who live in the recent development is questionable. Especially ones concerning wildlife. I remember seeing a Deer run past the builders site as a digger was driving through. And we still have Deer and Foxes coming to the area very regularly. So if THREE developments hasn't scared away wildlife I doubt a Fourth will.</p> <p>I just sincerely hope the litter from the new development is cleaned up unlike Harron.</p> <p>I also hope the road is looked after and repaired when it is needed. Harron did an awful job at that.</p> <p>Thank you.</p>
