Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

There is currently a coin operated jet wash for washing vehicles at Whitehall Service Station. The proposal is to change this to an attended hand car wash. Propose to use the existing designated jet wash area, which already has relevant drainage therefore no physical changes to the site. Space is available for four bays, which will be used as two washing bays and two drying bays.

The hand car wash will create two full time positions and help employment in the area.

There will be minimal disruption to the local area, as the the site location is a service station.

There will be no impact on Highways as the service station already operates a one way system for entry and exit which will be adhered to and utilised.

Has the work or change of use already started?
