<p>The change to a hand car wash will increase the traffic on Whitehall Road and cause queues on an already busy stretch of road. This will also impact the already busy roundabout which has seen multiple accidents.</p> <p>The noise from the car wash will have a negative impact on the neighbouring businesses and affect the local pubs outdoor dining area.</p> <p>There are already multiple hand car washing services within a mile radius of this location and therefore no local need for another one.</p>
