<p>I feel the application should be refused on the following grounds.</p> <p>The proposal will have a direct impact and cause a hazard on traffic on Whitehall road as the site is not sufficient to facilitate queues to enter the car wash.</p> <p>The mechanical repair garage on the same site will be affected as access to his work shops will be disrupted.</p> <p>Adjoining properties to the site will also be affected by noise directly next to their property.</p> <p>The canopy will also be unsightly and will not be in keeping with surrounding area.</p> <p>I hope you reject this proposal.</p>
