<p>As an extremely concerned resident, I'm worried about where all the waste water will go, living behind this and on an incline water will run down into Tetley Drive through gardens, the street which floods in heavy rainfall already has the drainage can't cope, the gardens hold water because of the clay underneath them.</p> <p>Impact on stood traffic on Whitehall Rd will be a nightmare, this is already a nightmare. Then there is the absolute eyesore it will become.</p> <p>Birkenshaw doesn't need this we can go to Birstall and Batley for car washes.</p>
