Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>Not a necessary service required for the area It will cause additional traffic build up, therefore additional car fumes, queues etc at an already bad area with the motorway traffic and roundabout. Neighbouring houses and roads etc will suffer from the traffic, noise, water, and general additional activity that is not needed. Not the place or the area for it. Not a required service to warrant the factors that will come with this type of business.</p>
