<p>This application will undoubtedly cause traffic issues and danger's associated with queuing traffic and hand car washes, Whitehall road has enough traffic queuing towards the roundabout. The Golden Fleece/ Readmans entrance is opposite, with sight lines not good at the best of times when exiting either the garage or Readmans ,in traffic, this hand car wash would , in my view, pose a serious accident threat to road users and pedestrians alike. For neighbouring properties I would imagine a great deal more noise pollution / footfall than the existing pay machines.</p>
