I definitely oppose the hand car wash. This will lower the profile of Birkenshaw, devalue homes. The traffic is horrendous and already dangerous towards and at Birkenshaw roundabout. There is also a crossing for school children for 2 schools right at the roundabout. It is a thoroughfare for traffic to the M62 including large HGVs. To have a hand car wash would be detrimental to safety, environment and the village itself. There are many car washes available nearby.
