<p>I do not wish for my identity to be shared on this public post</p> <p>I wish to object to this planning application on the following grounds:</p> <ul style="list-style-type: none">* This stretch of road is already congested and dangerous and cannot support further queuing traffic in and out of the garage forecourt.* The plans do not make it clear what type of structure will be built to accomodate the carwash.* Noise nuisance affecting neighbours; jet hoses, car engines. The proposed opening hours are lengthy and also over weekends which will affect neighbours significantly.* Water drainage issues.* The carwash is not in keeping with a residential area.* There are many car washes already established within a couple of miles for drivers to access.* There are no on site facities for staff or customers using the car wash. <p>Please do not grant this application.</p>
