<p>I do not give permission for my identity to be shared on this public post I am Wishing to object to this planning application due to many reasons. The main road is highly trafficked and dangerous and further queuing traffic is just not needed.</p> <p>Noise nuisance affecting neighbours, pollution of the area due to More vehicles. There is no sufficient area for Water drainage which will cause major issues. There are car washed within a mile or so of the areas ready so this is not needed in the village.</p> <p>There are lovely little shops and pubs across the road which will be affected by this as people will not want to sit out looking out onto a car wash!</p>
