<p>A car wash is not required in this area and this is clear from the comments already how strongly residents feel.</p> <p>There are a sufficient number of such establishments within a reasonable distance.</p> <p>Other hand car washes dont tend to be in residential areas like this.</p> <p>This would be a noise nuisance for local residents.I wouldnt want to hear jet washes all day every day including weekends.</p> <p>The local business such as the Golden Fleece with their outdoor seating areas would be affected.</p> <p>Traffic is already very busy and backed up on Whitehall Road at that location and this would add to it. Other such car washes evidently have queuing traffic further blocking roads so why would this be any different?</p> <p>I would ask that this application be rejected.</p>
