| I fear this site will become an absolute eyesore. It is not looked after or maintained as it stands now. Road is jammed with traffic and this will cause more jams. There are car washes already in this area. Another is not needed. It is also extremely close to residential properties who will have noise pollution and water spray issues. |                              |
