Subject: Planning Application 2024/62/90339/E

Hi,

Re: Application 2024/62/90339/E

This is to inform you that the block plan submitted as part of the application is inaccurate - our property was built c.20 years ago and yet is not shown. I feel it important to raise as we are directly behind no. 19, in no. 33a, yet on the plans submitted our house doesn't exist.

Please see below image of the land block plan which accurately reflects the current state and I will submit further comments online.

Thanks,
