Hello

Attached is a screenshot from a Facebook page advertising Helme Edge Vinyards.

It clearly shows that:

- a) Its a hobby business, incorporated Nov 2023.
- b) That the use of the proposed building is given over to tours and tasting ie the principle purpose is not related to agriculture rather to hospitality, as such, should not be approved in the greenbelt.

Regards

Further to the above application.

Please find further comments regarding the application
