

**Consultation Response from KC,
Trees**

2024/90425 land south of, Swallow Lane, Golcar, Huddersfield, HD7 4NB

Discharge of conditions 3 (CEMP), 4 (CMP), 5 – 7 (Ground Investigations), 9 (road specification), 10 (footway specification), 11 (road condition survey), 12 (surface water drainage strategy), 13 (construction phase drainage strategy), 14 (arb method statement) and 15 (invasive non-native species protocol) on previous permission 2020/94096 for erection of 21 dwellings and associated works

Date Responded: 23/02/2024

Responding Officer: Jack Dunn

Responding Ref:

Condition 14 states that we would need to receive an Arboricultural Method statement in order to see how the retained trees will be protected during the construction phase. This has not been received and therefore this condition cannot be discharged at present. When it is received we would be happy to reconsider.
