Good morning,

I write with regards to your query below and amendments to the approved scheme for the erection of a dwelling. The plans state the installation of powder coated aluminium windows and as such the use of upvc would deviate from the approved drawing. Having looked at the officer report and site photographs it is not likely there would be objection to the use of upvc, however in order to regularise this you may wish to consider submitting an a non material amendment. An application can be submitted via the Planning Portal:

<https://www.planningportal.co.uk/>

I hope this resolves your query.

Kind regards

Emma

## Authority Employee/Member

**With respect to the Authority, is the applicant and/or agent one of the following:**

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
