The plans lack detail. If this is passed, the resulting HMO will provide very cramped accommodation. There are 7 flats, but only 4 parking spaces - though it is not clear where they are or how they are accessed. Surely if there are 7 flats, then at least 7 parking spaces are necessary? Parking on the surrounding streets is already over subscribed, due to the large number of terrace houses without garages and the owners & customers of the shops on Westbourne Road parking on the surrounding streets. This is in contrast to the former Conservative Club, where most of the members lived locally and travelled on foot. It was sad to see the Club close and the resulting loss of amenity to local residents, and the building does need to find a new use, but this is the wrong plan in the wrong place.
