<p>The 2.5 storey dwelling will overlook my house (75 Bradshaw Road) and block of sunlight to the the garden and kitchen area. Also the area for the dwelling is on a current through way which is used by numerous children from the Honey Head estate to safely get to the school bus stop on Bradshaw Road opposite number 75. As far as I am aware this has to remain a path through from the road Honey Head. The plans show that the house would be built right up to my wall which would severely block the view from my kitchen.</p>
