<p>There is currently a public footpath between Honey Head Lane and the bus stop opposite 77 and 75 Bradshaw Road, the dwelling would prevent access to the footpath and would be built on a public bridle way, I do not think this is acceptable as many people use this footpath.</p> <p>As this is an erection of a three storey dwelling, it would block out any sunlight from our garden and prevent tree, plant and flower growth.</p> <p>I do not believe the building would fit in very well with the rest of the houses on Bradshaw Road and would look out of place.</p>
