<p>I am objecting to the loss of the pathway on the original plans when we bought our house 8 years ago there was an access pathway from honey head out on to Bradshaw Road. We have been using this access pathway until recently when it was fenced off with no work been carried out.</p> <p>Children will have to walk right through the estate when leaving for school ect , school buses are easily accessed from the bus stop directly opposite where the path meets Bradshaw.</p>
