Re: Land between Honey Head Lane & Bradshaw Rd Honley HD9 6EE

With reference to the above plot of land we wish to make an objection to the new plans. The old plans allowed a through route for pedestrians. The path has been enjoyed by the young and old for visits to the local shops, a path through after getting on and off the bus and most importantly, for the safe use for children calling for each other to play out. The path has been invaluable at generally integrating the community not just Honey Head Lane, but the wider Honley. For example dog walkers wishing to get from one side of Honley to another. The path has been there as long as as most people on the street can remember but has been closed without notice 2 weeks ago?

Without the path, we feel it is just another reason to get in the car, as the route is a longer way around when we are all short on time but all still keen to promote healthy exercise.

We do hope you will take our comments into consideration for us and the whole of the Honley community when developing this land.

Kind regards

46, Honey Head Lane
Honley
