Dear Sir/Madam,

Ref: 2024/90626

I write in relation to the letter received regarding the above planning reference number.  
Please see below my comments.

I can confirm that I am in support of this planning application. I have detailed my reasons below:

- I have been a resident of 75 Oaklands Drive since 1964. The single storey extension on 77 Oaklands Drive has been in place since around 1979. The roof of the extension was used as an area to sit out since that time, however the lack of hand rail around the perimeter was potentially dangerous and therefore making the existing structure safer was a much needed improvement
- The hand rail that has been installed has been completed tastefully and does not detract from the area
- It does not cause any issues from my property at 75 Oaklands Drive and therefore I see no reason to object to this

Yours faithfully,

75 Oaklands Drive
