<p>I work on Queens Road near the proposed application. Everyday I pass the Edgerton Hotel on New North road and have witnessed the increase in antisocial behaviour from tenants and guests. I have seen police cars and ambulances and witnessed drug dealing outside the hotel and along the street. This has all started since the Edgerton Hotel became a halfway house and I fear this is what will happen to this proposal.</p> <p>There is no market for a 40 place hotel in this area, this is simply a ploy to take government money to house offenders and refugees. I understand that these people need accommodation but Edgerton, one of the biggest concentration of listed buildings and featuring in the book 'The Villas Of Edgerton' is not the place.</p>
