

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England)
Order 2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2024/60/90681/W

To: Ashley Bamford,
Bamford Architectural Ltd
4, Butterley Lane
New Mill
Holmfirth
HD9 7EZ

For: Albaya

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

**OUTLINE PLANNING APPLICATION FOR ERECTION OF DETACHED
DWELLING**

At: ADJ, 1, NEWSOME AVENUE, NEWSOME, HUDDERSFIELD, HD4 6JW

In accordance with the plan(s) and applications submitted to the Council on 06-Mar-2024. The reasons for the Council's decision to refuse permission for the development are:

1. The proposed development would lead to residential development of the site that would appear cramped, failing to harmonise with the character of the street, having an insufficient property gap to the boundaries of the site and which would lead to unacceptable levels of hard surfacing to the frontage to accommodate the parking of vehicles to the frontage of the site and no.1 Newsome Avenue. To approve the development would cause unacceptable visual harm contrary to policies LP1, LP2 and LP24 of the Kirklees Local Plan, Principles 2, 5, 6 and 12 of the Housebuilders Design Guide Supplementary Planning Document and policies within Chapter 12 of the National Planning Policy Framework.

2. The development would lead to a structure which leads to an unacceptable level of bulk and massing, in proximity to the row properties '10a-16 St Johns Avenue' leading to an unduly overbearing development that causes a detrimental loss of outlook and undue levels of overshadowing to the rear garden amenity spaces these properties. To approve this development would cause detrimental harm to the residential amenity of the occupiers of properties '10a-16 St John Avenue' contrary to Kirklees Local Plan Policy LP24, Principle 6 of the Council's adopted Housebuilders Design Guide Supplementary Planning Document and policies within Chapter 12 of the National Planning Policy Framework.

3. The development would present a poor standard of amenity for future occupiers, by reason of the restricted amount and layout of outdoor amenity space which would be provided. Therefore, the development would be contrary to policy LP24b of the Kirklees Local Plan, Principle 17 of the Housebuilders Design Guide Supplementary Planning Document and Chapter 12 of the National Planning Policy Framework.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a preapplication advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application.

Given that this application seeks outline planning permission for the erection of a detached dwelling and therefore, approval in principle for a two-storey detached dwelling, the case officer did not enter into negotiations with the applicant or planning agent, as it was not considered that any amendments could be submitted to overcome the reason for refusal within the remit of the applicant or description of proposal.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) the specified period starting from the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorate website](#)
Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#)
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
