<p>I wish to object to the above plan at 388 Bradley road. The new planning application is for a new hairdressers in the back garden of 388 Bradley road, There have been numerous plans in the short space of two years causing continuous disruption to the residents of Bradley road. the original plan was for a garden room which is now wanting to be a commercial business.</p> <p>This will cause further disruption, noise also ruining further the character of the residents homes. There is a established hairdressers a mile Down the road and a business park across the road with units for commercial businesses. Bradley road is already a very busy road and this will only add to further traffic to the area.</p>
