<p>I wish to object to the above plan at 388 Bradley road.</p> <p>The new planning applications is for a new hairdressers to be build in the back garden of 388 Bradley road, the plans also ask for guest parking for clients, a communal room and residential annex.</p> <p>To allow a hairdressers to be built in this residential area is completely out of character and would cause more traffic and disruption to the other residents who live nearby 388, who have lived in their homes For many years.</p> <p>There is a long established hairdressers a mile Down the road and a business park across the road with units.</p> <p>Bradley road has become so much busier since I was a young girl and to add a business onto a residential area would cause more traffic and possible parking issues for current residents and their families who wish to visit.</p> <p>The consideration of long standing residents of Bradley road must be taken into account when consenting to plans that will Impact their home life.</p>
