Dear sir/madam,

With reference to the planning application 2024/90833 we are surprised and concerned that no planning application signs have been posted in the local area.

Although the affected properties have been written to, this potential development will impact on many people in the village and visitors to the area.

Can you please confirm that suitable notices will be posted on New Lane asap to give people chance to review the application. If this cannot be actioned quickly can the date for commenting be extended to allow a suitable amount of time for people to see the notice.

Kind regards
