To whomever it may concern,

I am writing to express my strong endorsement & support for the building project currently taking place in the back garden of house number 53, where Mr and Mrs Karani reside, within our neighbourhood.

I have no reservations or objections regarding this construction and am pleased, in terms of the way in which it has been built. I wish to extend my willingness to provide any support in terms of the planning application which is made, we would be pleased if you were to approve this application much appreciated.
