| <p>Our concern is the junction at the top of the private Road adjoining the A62 is a very fast road and dangerous due to double white lines and cycle lane where vehicle have to cross them and not enough room to do this.</p> <p>Light pollution effecting wild life and nesting.</p> <p>Noise pollution in a residential area,</p> <p>Where will the water supply come from due to neighbours already using the springs and bore hole.</p> <p>The private road is not wide enough for vehicles to pass each other.</p> |                              |
