

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England)
Order 2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2024/62/90932/W

To: David Bottomore

For: J Harris

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

ERECTION OF DETACHED DWELLING

At: LAND ADJ, 4, DOWNING STREET, LINTHWAITE, HUDDERSFIELD,
HD7 5PU

In accordance with the plan(s) and applications submitted to the Council on 14-May-2024. The reasons for the Council's decision to refuse permission for the development are:

1. The proposal by reason of its design, mass, appearance, proximity to site boundaries and overly dominant parking arrangement on a small plot would appear as an incongruous, cramped and contrived form of development within the streetscene which would cause visual harm and loss of spacious openness to the established character and appearance of the area. It would conflict with LP1, LP2 and LP24a of the Kirklees Local Plan, Principles 2, 6 and 12 of the Housebuilders Design Guide Supplementary Planning Document (the SPD) and policies within Chapter 12 of the National Planning Policy Framework.

2. The proposal would have unacceptable additional impact on overbearing and loss of outlook to the windows of the occupants/future occupants of no. 4 due to the intrusive bulk and massing of the two storey scale and proximity to the neighbour which cannot be satisfactorily managed by condition. As such it would be contrary to Kirklees Local Plan Policy LP24, Chapter 12 of the National Planning Policy Framework, and Principle 6 of the Council's Housebuilders Design Guide SPD.

3. The proposed development to add one new dwelling to a private non-adopted highway, which already supports five permitted, large dwellinghouses, would lead to an unacceptable impact on highway safety, with severe residual cumulative impacts on the private road network in conflict with Policies LP21 and LP22 of the Kirklees Local Plan, paragraph 3.18 of the KC Highway Design Guide SPD and Chapter 9 of the National Planning Policy Framework.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a preapplication advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application.

The proposal was assessed on its own merits without the benefit of a pre application service being used by the agent. Due to the constraints of the site, development could not be supported in principle.

The application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) the specified period starting from the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorate website](#)
Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#)
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
