Subject: Planning Notices - 2024/91116 and 2024/91117 - Removal and re-erection of Bandstand

I refer to the above numbered Planning Notices, concerning the removal of the Bandstand on Longcauseway, Dewsbury, and its re-erection in Crow Nest Park, Dewsbury.

I fail to see how this proposal makes any sense. There are no acceptable toilet facilities, seating arrangements or refreshment venues near to the proposed location. In addition, the park is a no-go area for many people, due to anti-social behaviour.

Now that the ill-thought out Town Centre Park has been approved, surely it would make more sense to leave the Bandstand in-situ, or re-locate it within the Town Centre Park, and where toilets, seating and refreshment facilities already exist.

12 Bywell Close, Dewsbury WF12 7LW.
